Edit Cheat Sheet

</div>

This is a cheat sheet for the Jinja templating syntax.

Syntax

The syntax is somewhat similar to ERB except for {} instead of <> quotes

```
{{ ... }}           # Escaping for expressions that create output
{% ... %}           # Escaping for control statements
# ... ##            # Line statements
```

Loops

```
{% for i in list %} ... {% endfor %}
```

Functions

Defining functions

```
{% macro myfunct(param1, param2) %}
...
{% endmacro %}
```

Using functions

```
{% myfunc(var, 5) %}
```
